

CONVENIENT SERVICE FOR YOUR SPECIALTY MEDICATIONS

Use home delivery to be covered for specialty medications.

Your health condition deserves special care, and making sure you get the medication you need is a critical part of that care. That's why Cigna Specialty Pharmacy ServicesSM makes it easy to get your specialty medications.

Under your Cigna prescription drug plan, you and your dependents can fill one prescription at a retail pharmacy. After that, your specialty medication will only be covered when you use Cigna Specialty Pharmacy Services – a convenient home delivery pharmacy.

Frequently asked questions about Cigna Specialty Pharmacy Services

Q: Do I need to use Cigna Specialty Pharmacy Services to fill my medication?

A: You'll need to begin using Cigna Specialty Pharmacy Services for continued coverage. If you choose to fill your specialty medication at a different pharmacy, that medication will only be covered under your plan for the first fill. After that, if you try to get a refill of that medication, it won't be covered.

Q: What are the benefits of home delivery?

A: Cigna Specialty Pharmacy Services gives you the convenience of home delivery along with helpful coordination of your specialty medication with your doctors. This helps make it easier to manage your condition and have the peace of mind you need to focus on feeling better.

Q: Do you provide any therapy support?

A: Yes, we offer TheraCare®, a therapy management program designed to help customers who take specialty medications understand and manage their condition and treatment. This program is available at no additional cost. Call TheraCare at **800.633.6521** to verify your eligibility.

Q: How long does it take to receive my medications through home delivery?

A: Typically in one to two days. Our pharmacy care specialists can also help you coordinate your refills, lab results and prior authorizations to help ensure you won't miss a dose.

Q: Do you carry quality medications?

A: Yes. All of the medications we fill are FDA-approved and are dispensed from U.S.-based pharmacies.

Q: How are my medications shipped?

A: We ship most specialty medications overnight through UPS. All are shipped in tamper-resistant, confidential packaging that's built to stand up to harsh weather. We ship all medications as directed by the manufacturer, including ice packs when needed. So you can relax knowing your medications are sent to you safely and securely.
